

Dayton Warm Breezes

Policy Manual

Dayton Warm Breezes

Welcome to Dayton Warm Breezes Naturist Club! This manual lists in detail the policies of the club. It will intermittently be added to or modified as circumstances demand.

1. Privacy Policy

Your privacy rights are our privacy policy. As of the formation of the club on October 1, 2014, the following privacy standards are in effect.

1. You have a right to keep your email address private from others in the club. In email to the general membership, your address will not be visible to others since all addresses will be blind copied. With your permission, your address will be released to others for a special reason such as when you are hosting an event. In addition, your email address will never be viewable by the public.
2. a) You have the right to keep your name, telephone number, postal address and email address private from those outside the club. Many documents are printed with that information for administrative purposes. Whenever such a document is discarded, it will be shredded.
b) In addition, your telephone number and postal address will not be released to other members in the club unless that is necessary, such as when you are hosting an event.
3. The club's web site is publicly viewable. Member's full names will not be published on the web site unless you have indicated that that is allowed on your membership application where it asks "OK to release your name publicly".
4. You have a right to keep your membership in a naturist organization private. No one in the club is to release another's name outside of the club without that member's expressed permission.
5. Generally, cameras are not allowed at a nude event. No one is allowed to take a photo where there are nude people in the frame without everyone's permission including those who are not nude.

2. Clothing Policy

As of 3/18/2018 (release 180318 of the Policy Manual), Dayton Warm Breezes has no official clothing free or clothing optional policy. The designation is entirely up to the event host. This designation will always be mentioned in the event announcement.

In the case where the event is designated clothing optional, no one will be pressured to get nude.

In the case where the event has been designated clothing free, the following exceptions will be in effect:

A person who has never been socially nude before is not required to be nude the first time visiting a club event. For females, at times it is necessary to wear bottoms (shorts or swim wear bottoms will be permitted). Other examples of exceptions are weather conditions, while cooking or other appropriate activity and any medical necessity. If you have a situation that requires clothing at a clothing free designated event, please mention to the event host or club admin the reason you are not nude.

Generally, cameras are not allowed at a nude event. No one is allowed to take a photo where there are nude people without everyone's permission including those who are not nude.

3. Paying and Renewing Dues

All clubs have financial obligations which make it necessary to impose annual dues as a condition of membership. Each person or couple may attend two official club events before being required to join the club and having to pay the annual dues. Becoming a member is a two-step process: paying dues and submitting an application. The application form can be attained from the club's web site or from the club admin.

Annual membership dues:

| | Non-AANR | AANR |
|--------|----------|---------|
| Single | \$20.00 | \$16.00 |
| Couple | \$25.00 | \$20.00 |

Dues are waived for a minimum of one year for women joining as a single and for couples aged 40 and under. See Chapter 8.

A couple is defined as two people living in the same household with or without children and without regard to their marital status or gender.

Dues are paid to the club admin. The method of payment may be via cash, check, Zelle or Paypal. If paying by Zelle or Paypal, send it to the admin's normal email address. If paying by Paypal, in order to avoid fees, document it as a person to person transfer, not a sale, and do not pay for it with a credit card. If paying by check, make it out to the club admin, not to the club. Checks made out in the club's name cannot be cashed.

Starting in January 2019, all members' expiration dates are set to the end of January and are payable anytime during that month. Those who join the club during any other month of the year will be prorated to January.

In December and again in the middle of January you will receive a notice via email that the membership is expiring at the end of January and is renewable at any time. If the dues are not paid by the end of January, you will be removed from club membership.

The ramifications of being removed from club membership:

1. Required to pay an event fee of \$5 per person to attend events (*see special rules)
2. Removed from the club's email list
3. Removed from access to the club's private Facebook Group

* Special rules for former club members who wish to attend an event:

1. The \$5 fee is paid to the club, not to the event host
2. The fee does not apply to events that already have an event fee
3. The fee does not apply to members who have moved away from the area where we hold events making it impractical for them to attend events.

4. Code of Conduct

We want all of our members and guests to enjoy themselves and feel comfortable. Dayton Warm Breezes is committed to providing a safe and friendly environment to promote naturism in a positive manner. As such, please be familiar with these guidelines.

The club has no official clothing policy. The party host will designate their party as either clothing free or clothing optional. This designation will then be stated in the event announcement. See chapter 2 for more details.

Participants in our club events will not engage in behavior that would cause others to feel embarrassed or uncomfortable. Such behavior includes (but not limited to) language or actions, extreme intoxication, possession of a camera, possession of a firearm and sexually suggestive behavior.

The club is a non-sexual, family-oriented organization. Public affection and/or touching among members is permissible only to the extent that it would be acceptable in a public, fully clothed, family-oriented forum. Abusive language, rude, or crude behavior, overtly sexual behavior, or sexual advances of any nature is unacceptable.

All attendees will respect the privacy of others. Names or identities are not to be revealed to anyone outside of the club membership without that person's permission. Names, email addresses, telephone numbers and postal address of hosts of club events are not to be released to anyone outside of club membership and event invited guests.

For sanitary reasons and as a courtesy, use a towel to sit on at all nude club functions.

Naturists are non-judgmental and body acceptance is a basic tenet of naturism. It is inappropriate to ask about or mention a person's physical appearance, weight, scars, or clothing.

We encourage family participation including minors (those under the age of 18). However, minors may attend our nude events only when they are accompanied by a responsible adult. If the accompanying adult is not the minor person's parent or legal guardian, a properly completed Parental Permission form must be on file with DWB admin. See the Forms page on this web site. Also note that the event host may designate the event as adults only.

Individuals who are married and not separated and want to join the club as a single are required to have their spouse's full acknowledgement and concurrence that you attend separately. Married couples who apply together as a couple are required to attend their first gathering together before attending separately.

Dayton Warm Breezes reserves the right to ban or revoke the membership of any member who fails to adhere to our code of conduct or when the comfort/safety of our members is compromised. DWB will issue refunds on a prorated basis for membership dues if you are discharged for conduct.

5. Benefits of Club Membership

1. Support of the organization that provides you the opportunity to socialize with other nudists. This is especially important in the winter time when many nudist resorts are closed.
2. Access to the club's Facebook group page. The group is designated private and hidden (previously secret) which means that no one outside of the group can see the discussion section, see who the members are or find it by searching.
3. In addition, anyone (not just club members) may join AANR through the club at a discount.

6. Status of Children at Club Events

Research indicates that children, defined here as those under the age of 18, benefit greatly from being raised as naturists and participating in naturist activities. Generally, they make better lifestyle choices in their teenage years. Normally, children are welcome at Dayton Warm Breezes events as they are at most naturist events and venues in accordance with AANR guidelines. However, on July 29, 2018, the club voted to allow hosts to designate their event as adult only. Both members and non-members may bring children to an event that has not been designated adult only.

Parents have a right to control whether their child attends an event where there will be adult nudity. Anyone who brings a child to an event who is not the parent or legal guardian of the child must have a Parental Permission form with him/her or on file with the club. This form can be found on our website at “[https://daytonwarmbreezes.club/forms/Parental Permission form.pdf](https://daytonwarmbreezes.club/forms/Parental%20Permission%20form.pdf)”.

The Host Data Form will have a question as to whether children are allowed and the event announcement will either specifically if children are invited or be designated as adults only.

7. Communications

It is mandatory that the club admin be able to communicate with membership via email. Email is the most efficient way to get information out to a large number of people. The official email address of the club is DaytonWarmBreezes24@gmail.com.

8. Promotional sale

The membership fees, for those newly joining, are waived for any woman joining as a single. The membership fees for any couple aged 40 or younger are also waived. If only one member of a couple is 40 or under, they still get the promotion. This special rate is good for one

full year. They will not be required to pay a membership fee until a year from the following January.
